Mosaic "Aventine" Ceramics

THE Mosaic "Aventine" Line consists of patterns distinctly Roman in origin incorporating $2\frac{1}{16}$ " x 1" and 1" squares in the granitex blends and $1\frac{9}{16}$ " x $\frac{3}{4}$ " and $\frac{11}{32}$ " squares in all other ceramic colors. We have illustrated designs which should be most appealing but other patterns and color combinations are available to satisfy individual tastes and specific requirements. Special sketches gladly furnished on request. "Aventine" ceramics are of superior quality, true and pleasing in color tone, with easily removable paper.
